

## **Wright County: Early Learning in Child Care by the Numbers**

### **Parent Aware**

Parent Aware is Minnesota's statewide quality ratings and improvement system for early learning programs, providing information to parents on what program is best for their family. Initially launched in targeted counties in 2012, Parent Aware brings the same measure of quality to all early learning programs including Head Start, center and home-based child care, public and private programs.

- Wright County became eligible for Parent Aware in 2014
- There are 351 Licensed Family Child Care programs and 31 Child Care Centers in the county
- 25 Licensed Family Child Care providers are participating in Parent Aware and 3 have achieved a 3 or 4 star rating
- 17 Child Care Centers are participating in Parent Aware and 12 have achieved a 3 or 4 star Parent Aware rating

### **Early Learning Scholarships**

Early Learning Scholarships allow eligible families to find the high quality early learning program that best meets their needs. The most recent evaluation of Early Learning Scholarships shows they are helping the most in-need families send their children to high quality programs of all types and improving early development across the board.

- Less than 10 children receiving Pathway 1 Early Learning Scholarships as compared with 72 in the Region
- 64 children receiving Pathway 2 Early Learning Scholarships as compared with 298 in the Region

### **Child Care Assistance Program**

The Child Care Assistance Program (CCAP) is an essential pillar of early childhood assistance for thousands of Minnesota families. It provides financial assistance to families who meet income eligibility and participation requirements, allowing parents to work or go to school while their children get the start they need in life.

- 136 children receiving CCAP, 15% of which are in Parent Aware Rated programs
- 113 children are on the CCAP waitlist as compared with 6890 on the statewide waiting list
