

The Minnesota Quality Improvement & Registry Tool

Locating Events on the Develop website

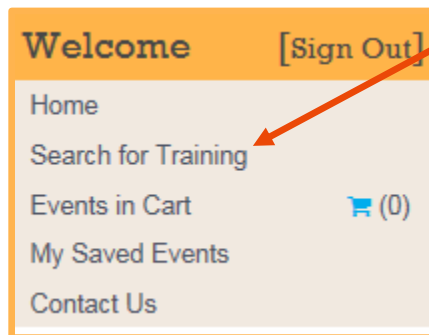

You must have a Develop account to register for training Events.

The training in Develop is organized by Courses and Events.

- A Course is a set of content
- An Event is an occurrence of a course

To search for training events:

1. Go to www.developtoolmn.org and login. Click on **Search for Training** in the left hand menu bar:

2. The page that is displayed will give you several options to locate training. You can search by:
 - Keyword(s)
 - City
 - County (from a drop-down list)
 - Date
 - Knowledge and Competency Framework Area
 - CDA Content Area
 - Training Level

Training Courses and Events

- Training Language

You can also choose if you want search for classroom or web-based training.

3. Enter what you are looking for and click **Locate Events**.
