Using Nature to Ignite Children’s Spirit

KCF IIa, CDA 2

Join us for an interactive training opportunity hosted by Dr. Deborah Schein, author of *Inspiring Wonder, Awe, and Empathy: Spiritual Development of Young Children*. Spiritual development moments help children to grow, explore, play, and ask big questions. Learn thoughtful practices to nurture a child’s spiritual development—an extension of social-emotional learning. Introduce young children to a system that begins with love and leads to a strong sense of self, ignites wonder and learning, and allows for the emergence of empathy that leads to personal wholeness.

“In an almost magical way, Dr. Schein weaves strands of research with personal stories to illustrate how spiritual development unifies and energizes all other areas of child development.”
