

## Parent Aware Reporting

Public reports on Parent Aware can be found at the [DHS Child care and early education: News, reports and workgroup](#) webpage, under the Improving childcare through Parent Aware, Minnesota's Quality Rating and Improvement System section.

### What reports have been released this year?

---

#### [Parent Aware by the Numbers](#)

MN Department of Human Services, June 2019

#### [Parents' Perceptions of the Parent Aware Website and Search Tool](#)

Child Trends, July 2019

#### [Provider Perceptions of Parent Aware: Minnesota's Quality Rating and Improvement System](#)

Child Trends, May 2019

### What reports are upcoming?

---

The following two reports are in the final processes of being released, both expected to be released by the mid November.

- Parent Aware across Minnesota
- Parent Aware: Perceptions of the Building Quality Relationship-Based Coaching Model

Prior to the end of the year, we are expecting to have a 2019 update to the reporting series on the Diversity of child care programs participating in Parent Aware.
