

Debra S. Fish Library

Think Small is home to the Debra S. Fish Early Childhood Library. You will find over 6,000 exceptional early childhood materials on a variety of topics: child development and learning, the business of child care, parenting, and much more.

Visit us during business hours (M-F 8:30-5, some Saturday mornings), call the library at 651-641-3544 or email the librarian, Jennie, at librarian@thinksmall.org for assistance.

Catalog

All materials in the Debra S. Fish Library collection are searchable through the St. Paul Public Library (SPPL.org) Collection and MnLINK Minnesota's Online Library (mnlink.org).

Borrowing Materials

Materials can be checked out at Think Small and through your local library! A current library card is all that is required.

Non St. Paul card-holders: The first time you use your local library card in the St. Paul system you will need to present your library card, along with a picture ID with your name and current address *or* a picture ID and a piece of recently posted mail with your current address. After that you need only present your card.

Residents of cities or counties whose libraries are served by MELSA also may use their library cards. Bring in your library card, along with a picture ID with your name and current address *or* a picture ID and a piece of recently posted mail with your current address.

WEBSITES

<http://www.nlm.nih.gov/medlineplus/ency/article/002456.htm>

Excellent website from the U.S. National Library of Medicine and National Institutes of Health. Provides information on a child's growth and development for infancy, preschool years, middle childhood years, and adolescences. Text available in Spanish.

<http://kidshealth.org/parent/growth/>

Easy to use website with information on a child's changing body and mind from infancy through teen years. Covers growth and development, emotions and behavior, infections, and nutrition. Text available in Spanish.

<http://www.parents.com/baby/development/growth/>

Good month-by-month coverage of the milestones of development from *Parents* magazine.

<http://www.extension.purdue.edu/providerparent/child%20growth-development/main-cgd.htm>

Very good resource for providers working with parents. The focus is on the responsibilities of providers for the growth and development of the children in their care. Some of the topics covered are parent-provider relationships, child growth & development, children & learning, and health & safety.
