**Does this organization provide care and/or education to children?**

This website is designed to serve a wide variety of organizations in the early learning and school-age care field. Some organizations work directly with children while others work with the adults who educate and care for children, and still others work in the community more broadly. Your organization may do more than one of these. In this question, we want to identify whether your organization provides care and/or education directly to children. Your organization may also provide other supports and services, but please indicate here whether one of the supports your organization regularly provides is direct care and education to children.

- Yes, this organization provides direct care and/or education to children
- No, this organization does not provide direct care and/or education to children

7. Select your Organization Type.

8. Select the primary purpose of your organization from the drop down menu. You can also choose if you will be a Training Sponsor. Becoming a training sponsor will allow you to create and provide training through Develop. Guidelines can be found at https://www.mncpd.org. Select and upload any accreditations.

   Click Next.
9. Enter the number of children to answer the questions on Enrollment, high needs, race and language. The total number of children enrolled should equal to the number of children listed below broken down by age groups. Also indicate your program's hours of business.

Also enter when your program is open and serving children. (These are required questions.)

Click **Next**.

**Program Enrollment**

Enter the number of children by age group for which you provide care. In addition, enter the number of high needs children in each age group. A child should be counted as “high needs” if meets one or more of the following criteria: children from low-income families (at or below 200% poverty rate) or otherwise in need of special assistance and support: including children with disabilities or developmental delays, who are English Language Learners, who reside on “Indian lands”, who are migrant, homeless or in foster care.
